Has some of these

You can find His messages in every thing Man has written or created.  
In every Bible or writings about our heavenly Father.  
These messages are hidden between Mans idle talks.

To truly understand our Father one must separate ones self from our surroundings.  
And truly be with him.

The more We do this the closer We get to Him.  
and in each time when we revisit this or that teaching.  
Our Father revels to us a richer understanding.

A Richer understanding of our own personal world.  
One of the biggest Gifts he has Given us is just that.  
Each of us live in a separate world none of us has walked the same path of another.

So to really enjoy the life he has given to each and every one of his children.  
Question  
Shall we Cherish what each of us have in common.  
And truly respect the Differences that we have.

One of the Gifts our Father has given to us.  
You have just Read.
